In Nepal I have oppportunity to preach and also am organised a smaller revival conference event for local pastors there.

God has opened up all these great oppportunities and I am humbled to be able to travel and do this. Please do pray for m e personally for physical health during all my travels and also spiritual protection!

Dear brother,

I posted a reading of jonathan edwards "sinners in the hands of an angry God" that I did last week and just posted that for the class. Other than that during that class I talked about the revival conference and what God did and we watched the Alan Bartley video from Wales.

The other 3 classes were sadly not recorded to my knowledge with the substitute teachers.
