Hello Christian,

I always enjoyed your gracious and balanced posts. You may be the first European here. Your service is much needed here.

To quote that great theologian, "Rocky Balboa",
"Go for it!" :-)

Well, there is more than 1 way to be thrown into the Lion's Den!

I'm sure that this suits you though, along with your most discerning and theological mind. I've always felt, that your spirit was edifying and you a man with a high degree of Godly character and devotion. This is a good thing.

It seems that you also possess that rare fruit of Patience, which may indeed be the most valuable of tools to succeed here as a moderator. May God increase your wisdom and discernment....Brothertom

With care in Christ...

You will make an excellent moderator! I am sure you will be fair-minded and understanding and give even a hooligan like me complete latitude and no interference at all. I will PM you a list of all the rival hooligans I want booted off the forum.

God bless you, Christian. For a long time I have appreciated your thoughtful, level-headed posts. You will do a good job.
...

My mind goes back a few years...if I recall, you have grown a lot spiritually since you came on board here at SI. It has been a delight to see that growth in you. Not only has this growth occurred in your life it has in mine as well as others...such a wonderful blessing.

Now I will leave you so you can take care of wayneman's hooligans! :-P

Blessings,
ginnyrose
