EDIT: go to later posts to see, **I HAVE been accepted** to the Calvary Chapel Bible College in Murietta, California. And we will begin classes Feb 1st/2005

As I have alluded to in the (http://www.sermonindex.net/modules/newbb/viewtopic.php?topic_id3430&forum16) PRAYER: Prayer Sheet for SI Webmaster post I am currently applying to go to CCBC (Calvary Chapel Bible College) in Murrieta, California. I would appreciate your prayers and help in this process.

I have felt through the last 3-4 months there has been a change the Lord has been wroughting in my heart preparing me for the next step in what I should be doing. In the last month it has become much more clearer and my being made aware of the Calvary Chapel movement www.calvarychapel.com has been something God has led me to directly. Through much prayer and seeking God I feel that it's God's will for me to be going to this bible school which is un-accredited and is a 2 years generalized program.

I will be applying and attending the school on campus as an international student because I live in Canada. That adds a bit of complexity to a lot of things but I feel it's in the Lord's timing and plan. The running of SermonIndex will be changing also due to this going to bible college and I will need help from brothers and sisters at SI that have a vested interest in this ministry and its reach into the world.

I am applying this week and almost have all things together, and there is a 2 week wait for the approval process. Part of that is the proof of funds to pay for one entire year with surplus funds to be granted a M-student visa by the United States Government. I am trusting the Lord for the funds of the second year and for many other things necessary for the 2 years of living in California.

Here are some specific needs:

Specific Needs for the Bible School.

- Need of a vehicle (car or van) to be used for driving in California.
- Need of more funding for the second year of bible school, I will be living on campus for both semesters.
- There also is a need of getting a laptop computer for school work and updating of sermonindex.
- I will not be able to work while in California so dependency on donations and also sponsors on sermonindex will be much more important and vital. Pray that I can get in the next 3 months I can raise monies through contract work and other means.

I will keep everyone updated please feel free to ask any questions there are many things I am leaving out. thanks for your interest!

The steps of a good man are ordered by the LORD:
and he delighteth in his way. (Psa 37:23 KJV)

And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work: (2Co 9:8 KJV)

Hallelujah, God bless you and keep you on the stretch...

Greg,

wowee, this will be an adventure for you! What an awesome opportunity. Don't worry (not that you would), if it's the Lord's will then every thing will be taken care of.

I cannot wait to see what the Lord would have for you in the future. :-)

May the Lord bless you with every spiritual blessing!

In His love,y.s.i.C.- Chanin

i can say he did bring me to the limit of trust no money but he really came through.

so put your sails up & let the wind of the Holy spirit blow you along.

These are the practical 'rubber meet's the road' items. My hope is that those of us who have been given so much might seriously consider what we could give back in tangible support.

In other words, send the brother some money.
Please :-)

nice! yes there will be a need for alot more participation from moderators to keep the forums on the straight and narrow. Also more attentive answering questions to people who are on the site. Yea and just to let people know Mike is like the Robin side-kick so you can always bug him and ask him stuff.

If God does put it in your heart that would be awesome, I am relying on God to help supply my tangible needs for this next 2 years. I have gotten a few contract jobs already for this next 3 months before I have to go down but it will not near be enough.

I know this is always a delicate area and the Brits are even more cautious than most others but if we think of the time and skill that Greg has put into this site we begin to get a very vague notion of 'the cost' in terms of what the users of this site would have had to pay commercially for this kind of service. Of course, Greg asks for no payment, but has only, on occasion, made the site's needs known. He would not be the man we know if he had done otherwise. That has been his responsibility before God alone.

Now we can consider OUR responsibility...

Re: - posted by sermonindex (), on: 2004/10/28 21:36

I am sending the application tommorow in the mail. Please pray when they review everything that it would work out according to God's will. I am very happy and pleased about how so many things have been coming together its really amazing confirmation on a call that I feel God has put in my heart. Thank you for your prayers and encouragements I will keep everyone posted on new things that arise from this. Many details about staying in the USA are really working out, its becoming less of a daunting task to go to school in America and really have a peace about it.

You know that I'm praying faithfully and fervently. God is so good and faithful to lead us when we abide in Him and obey.

You know that I have been very blessed by this site and would love to help in any way I can or feel led by the Spirit to. Right now I'm considering how I can promote this site more at this fellowship. We'll see how God leads and what He will do.

Thank God for all His blessings!

Re: - posted by sermonindex (), on: 2004/12/9 13:44

Thank you for all the prayers and support emails sent.

I HAVE been accepted to the Bible College so Gods leading is becoming more of an reality now. I am very excited at what God will be doing in and through my life in these next 2 years in california. Praise God for a his leading and will, I know now that Gods direction in my life will be sustained by His grace! God is going to do a work and I am already in awe of it.

The Semester for the School will be starting February 1st / 2005. I will probably be going down early to california to visit some brothers and sisters in the Lord. I appreciate your prayers during this time for me adjusting to this new routine, it WILL be challenging to get into school work and be in that atmosphere but I know it will stretch and bless me to be more of a man of God.

Also I appreciate continued prayers for this ministry because I will not be able to spend as much time taking care of the site and all the other facets of ministry involved with it. NOTE: I will still be updating and monitoring the site of a surety and I know the bible school experience will help me be more faithful and better steward of this ministry intrusted to me by the Lord.

There are quite a few loose ends I have to tie up in Toronto, Canada before I leave also. I appreciate prayers for wisdom to ensure I leave with everything prepared as it should be.

WOW im excited. 8-) 8-)

Wow! congratulations are deserved all around SI. What a wonderful opportunity for you, Greg. I know the Lord has His hands all over this. I am looking forward to seeing and hearing what the Lord will be doing in your walk over the next couple of years.

May the Lord be with you and be glorified in all you do. May you be blessed for being a willing servant. May you increase in Godly wisdom and not mere knowledge. May the work of His hands be displayed in an awesome way your life!

God's direction for your life has been such an inspiration to me. You're so willing to do whatever God wants you to do. You're constantly looking for ways in which God may want to use you. It's awesome! None of my words can really express.

I look forward to fellowshiping with you soon! It'll be a blessing to have you back for a time. Of course, I will still be praying for you brother.

Just to keep everyone up to date... I am still awaiting the application for my visa that the Bible School will be sending. I have bought an airplane ticket for a very cheap price \$119 canadian from Toronto to Los Angeles, California that leaves on January 10th. Brother Josh Olson will be picking me up and I will be staying at his house with his family from January 11th to the end of the month. I will go to the school Feb 1st. which is about 30 minutes away from where Josh lives in Escondido. Please continue to pray for the visa that I receive the application in ample time and that I am able to get the visa no questions asked from the American Embassy in Toronto.

I am so excited at what the Lord has in store for me.. thanks for all the prayers and support as I take this step. If you want to support me financially you can do so here: (<http://www.sermonindex.net/support.html>) Donations
