GOD has said; "Once more I will shake the heavens and the earth."

You can see this shaking in the economy, in housing, in jobs, in government.

Make sure your faith and hope are placed in unshakable things: {GOD'S kingdom, GOD'S promises, GOD'S purposes, and HIS Will!!}

I think a lot of people read but don't comment. Right on word though. We need to keep the main thing the main thing at a ll times. When we focus on Him alone we will be ready for anything. Thanks for sharing.
