What people do not realize is that Fear, stress and anxiety many times are coupled with the Unloving spirit. Fear is directly tied to not being loved and not feeling safe. To be free of Fear, you must be able to receive love and feel safe in it, regardless of whether anyone loves you or not. God loves you. An Unloving spirit and the spirit of Fear are anti-christ spirits because they debate and dethrone the Word of God in your life. They cast down what God has said about His faithfulness to you. You must get to a place where you understand and believe that you are accepted of God and loved of God. If you are not perfect in the love of God and you have Fear within you, torment comes. It is torment of the spirit and torment of the soul. That is the mind body connection.

There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love. 1John 4:18

When you have Fear, you are not made perfect in love. You are unable to give and receive love without Fear. Lack of love and the presence of Fear go hand in hand. If there is no Fear in love and you are complete in love, Fear has to go. You have to accept that you are loved of God and you are eternally preserved for Him forever. If you are complete in God's love, why should you fear?

Faith represents your future. Fear represents the destruction of your future. Faith and Fear are equal in this dimension: they both demand to be fulfilled. Now faith is the substance of things hoped for, the evidence of things not seen. Hebrews 11:1

Your hopes motivate you because that is what faith is. Faith involves God's plan for you. Your hopes need to be based on the known will and knowledge of God as revealed by the Word of God. Fear will try to create your future. It projects into the future, based on your past. What you are meditating on or thinking about every day occupies your mind. You may be meditating on the good things or you may be thinking about all the things that will go wrong in your life today and tomorrow. The object of your fear is not only being projected into tomorrow, but also yesterday's projected fear is here today. If Fear is a form of faith and you believe what Fear says and not what God says, then according to your Fear-faith so be it unto you. Both are demanding to be fulfilled.

Faith will always defeat Fear, because faith is a work of the Holy Spirit. Fear is a work of the created being named Lucifer, who fell and became Satan.
