Hello from Melbourne to you all,

I'm so blessed to find Pr David's Sermons online. I wish there was a church in Melbourne like his. Do any of you know of one? I appreciate if you can also let me know of any life changing video sermons that you have seen here.

Thanks so much.

God bless

Trudy

Welcome! If you're looking for blow-em up bang'em up experiences, you can try the charismatic hooplah. Otherwise, if you're looking for discipleship, you might listen to a few on the main page under the top recommended. 10 shekels and a shirt is my fov on here. Or, go to paulwhiteministries and look up the great messages he has. Or emmanueltx.com is great. As well, jsm.org is super fine. all of these offer the Spirit growth you're looking for. Enjoy!
