I will tell you, there is a movement of God among His people that the established church knows little about. Those who stand with Him will quickly find themselves thrown out of the traditional church of today. Men rely on what was done before them and stand their ground with sticky feet. God has moved forward to today. It would be wise for His people to seek His presence and catch up.

We will see how they do.

Acts 20:27 (King James Version)

27 For I have not shunned to declare unto you all the counsel of God.

1 Timothy 4:6 (King James Version)

6 If thou put the brethren in remembrance of these things, thou shalt be a good minister of Jesus Christ, nourished up in the words of faith and of good doctrine, whereunto thou hast attained.

2 Timothy 2:15 (King James Version)

15 Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

The return of sound Biblical exposition when preachers will put away their seminary indoctrination and turn back to sound Bible study. (Not that seminary is a bad thing, but it may become such a thing when it becomes the government over our religious beliefs. In that case, it can kill.) Sound exposition comes from people who seek the Lord in His Word, and that only. When men will forsake traditionalism and turn back to the most wonderful practice of Scripturalism.
