Brothers and Sisters,

If you run across any links that do not work either email me: sermonindex@gmail.com the page where the link is and the sermon title or do so here in a reply.

We will fix any that you can come across. I believe we have caught most of them but there might still be some in the database that did not sync right about 6 months ago when we did a big server change.

Thank you for your help with this.

Hi Greg,

All of the Steve Hill sermons are getting a "forbidden" error for me.

"Gimme some sugar" is one that should be a 'featured' sermon, it's an excellent message for the US :-)

Peace,
Earl J

Shocking Youth Message Stuns Hearers by Paul Washer

Topic:
Scripture(s): Matthew 7:13-27

Description: LISTEN TO THIS MESSAGE! It brings eternity and the true faith of Christ into our view. A very pointed sermon that cuts through the overlay of false profession in the Church. Paul Washer humbly yet with boldness speaks forth as the Oracles of God to a crowd of 5000 baptist youth. Would be to God that more would speak with a clear conscience of true Christian virtue and repentance.

Â Man as You Are by Major Ian Thomas

Topic: Man

Scripture(s): Isaiah 14:12, Romans 8:5, Ephesians 3:14Â Â

Description: Where many Christians are utterly content to only embrace the forgiveness of God, there remains a severe ignorance of God's full intent through the power of Christ. Before one becomes a partaker of the divine nature, Major Thomas expounds what man in fact is. We discover he is a living soul wrapped in flesh, needing the Spirit of God to breathe life into his Spirit. Once the man is forgiven his goal must become, through grace, to allow and yield the Spirit's infiltration into his soul and flesh that he may become an instrument of righteousness.
