MUST HEAR: Purity In A Wicked Age by David Wilkerson - posted by sermonindex (), on: 2011/3/1 14:32

Saints,

David Wilkerson contends for purity in the midst of a wicked, perverse age where the world is encroaching the Church of the living God. There is a need to maintain purity in these days so that the Lamb of God will be glorified in the lives of Christians and the Gospel would have a testimony in this wicked age.

It has been a blessing to see the response of God's people being touched by this message. I feel it is an very important message and thankful for the brother that brought it again to my attention.
