FEATURE: Psalm of the day

On the right side of the homepage there is a block that will show a NEW psalm every day, it will be chosen randomly by the script every day. This will provide daily users of the site something to meditate upon and allow the Lord to speak into your life. Its a good thing to read what the Lord puts on your heart in the scriptures, but its essential to have some sort of plan or definite choice in reading daily and perhaps this psalm a day will help you in that part of your devotional life.

Great blessing brother.

I have for many years used a Psalms reading plan of reading on the 1st day of the month, Psalms 1, 31, 61, 91, 121

2nd day, 2, 32, 62, 92, 122

3rd day, 3, 33, 63, 93, 123, etc.

When I get to Psalms 119 I skip it and then read it on months that have 31 days.

Grace,
Doug

Nice! yes I think Art Katz uses that same method daily. The Psalm of the day module works so it just began at a date is progresses sequentially. Perhaps I can make it work like what you just said but for now at least it gets peoples minds and hearts on scripture daily as a beginning point in their devotion to God.
