Man as You Are by Major Ian Thomas

Topic: Man

Scripture(s): Isaiah 14:12, Romans 8:5, Ephesians 3:14

Description: Where many Christians are utterly content to only embrace the forgiveness of God, there remains a severe ignorance of God's full intent through the power of Christ. Before one becomes a partaker of the divine nature, Major Thomas expounds what man in fact is. We discover he is a living soul wrapped in flesh, needing the Spirit of God to breathe life into his Spirit. Once the man is forgiven his goal must become, through grace, to allow and yield the Spirit's infiltration into his soul and flesh that he may become an instrument of righteousness.
