See Lysa's helpful comment below on how to download right to your laptop or pc.

Re: If you have a Kindle... - posted by Lysa (), on: 2011/5/8 1:47

Even if you would like to read this book, you can! Just download the Kindle application for your computer (that's right, you don't need an actual Kindle!!), and then download the free book and you can read it!!

Kindle for PC

Thank you for posting this! Just downloaded it to my Kindle. Hoping to start it as soon as I finish the other two books I'm currently reading.
