Secrets Of Bible Study In Five Sentences

By J. Wilbur Chapman

Study it through.

Never begin a day without mastering a verse.

Pray it in.

Never leave your Bible until the passage you have studied is a part of your very being.

Put it down.

The thought God gives you, put it in the margin of your Bible or your notebook.

Work it out.

Live the truth you get through all the hours of the day.

Pass it out.

Seek to tell somebody what you have learned.
