

Miracles that follow the plow :: Godly Music

Godly Music - posted by crusader (), on: 2011/5/29 21:34

I just want to thank sermon index for posting music on this site. i found the guitar hymns to be great. When i am praying to the lord or studying it is good to have Godly music. There is so much garbage out there being portrayed as christian it is hard to find music that is truly inspired by Jesus Christ. Im sitting at work now listening to it and being blessed by it. :)
