Great that you found this site.. I would encourage you to spend some time on it listening to a few sermons and interacting in the forums. I know the Lord had you find this site for a purpose. God Bless you as you Seek HIM more.

Hello Rae!

Good to see another homemaker here. It's not easy to fit listening time in, but you will be so blessed by all the downloads available. There is nothing quite like SI.

Years ago I would listen to Christian radio shows during nap times and God used that mightily. Sermon Index is so far beyond what Christian radio offers, I wish it had been available then. What a blessing SI is to us busy moms. A great way to keep us focused and fed, no matter our circumstances.
