Thank you, Brother Jeremy!!

So many grow up with either no father at all or a father who neglects them or mistreats them and I can see the net results of this in the Church but,

We Do Have A Father!

Awesome, awesome message. Must listen again. Praise God for these men & women of God that teach such deep things of God that keep us close to Him and not to wander to false teachings. Praise God for SI. Protect, provide and continue to bless You Heavenly Father in Jesus Name. Amen
