Hi,

As per:

you will have to: <http://www.sermonindex.net/contact.php>

Q. I Can't Login, My Password/Username Is Invalid?

Answer. When you are having a hard time logging in and have forgotten your username or password you can email us to request a reset of the password. You must firstly email us with the same email that you registered with on SermonIndex without this we cannot help you. Secondly we will reset your password but cannot change your username it must stay the same as when you first registered. As a special reminder to members please write down your username and password or save the email in your account.

Email Address: [sermonindex@gmail.com](mailto:sermonindex@gmail.com).
