**Request to help from Norway need english norwegian sermons mp3 - posted by slawekplatek (), on: 2011/9/17 6:27**

Hello,  
My name is Slawomir Platek. I live in Norway more than 3 years already. I work as a bus driver in public transportation. I need to learn norwegian. But to tell you honestly I do not like the language. Recently I recorded mp3 Sermons on CD which are in English translated to Norwegian. And I am listening those sermons in the bus while I drive. We have CD MP3 players in every bus. If you can help me to find sermons which are in both those two languages I will appreciate your help very much. Then I will download them and burn them on CD and will be very glad to be able to listen them in the buses while I drive.

Hope to hear from you soon,

Many blessings,

Slawomir A Platek
