only God can reverse the trend.. - posted by Sems (), on: 2011/11/9 8:53

Looking around to what is happening all around. Seeing how multitudes are walking in despair & hopelessness..and the utter impotency of many Christians is truly heart wrenching. Only God can reverse this trend..Only He can bring glory to His name which is being profaned among the nations..Only He..He alone can do that which is impossible for man.. O God, arise!
