fellowship in tri-cities, tn?, on: 2011/11/9 15:34

hello brethren, we've been praying for fellowship here in e. tn for the last year since our precious Lord brought us here. we hunger for a home fellowship, but will go where He leads. are there any of the bride of Christ here, the remnant, who hunger after Jesus outside of denomination, man, and bldg. walls?

Lord bless you! wendy/gabriel

Hello Lisa, Yes - it's Bristol, Johnson City and Kingsport. :) Are you in Knoxville?

I was in Kingsport 2 weekends ago for football. There is a beautiful field there... where the Indians play. They sure love their football at that school.
