I'm Paula. I found this site while searching Google for a place to hang out. What's the best feature of this site? I live in Washington DC Metro. I was born in an island that has the most churches per capita and the most murder and crime per capita. However, I became a Christian from reading the bible while living in USA. My hobby is listing to very old sermons. Are the old sermons here any good? I've my own site, www.paula4jc.com. I would like to add a link of this site if they will let me.

Great to have you Paula! The discussion forums are a great place to edify and bless each other.. there is much to discuss and learn about the Scriptures and living for God. I recommend you listen to the sermons featured on the front page of the site.. feel free to share how you are blessed by them after you listen.

Hello Paula Welcome to sermon index. I just finished looking at your site. I like it. A great site boasting in our Lord Jesus! I can tell you love Jesus.

There are some old William Booth sermons here that are originals. Then there are some redone or read sermons of George Whitefield and John Wesley. And there is an original D.L. Moody. That is all that I am familiar with here of old sermons.

Also check out the speaker Keith Daniel. His sermons are fairly recent but there are great treasures in this sermons of his. Make sure you check these two first by him.

Hi Paula,

Welcome to SI. I also live in the Washington D.C. area. Enjoy your time here!

Since our church is connected to Times Square Church I have a special affinity for David Wilkerson, Carter Conlon (and his wife Teresa) and Neil Rhodes. I love B.H. Clendennen as well.

Enjoy your time here! Taste and see that the Lord is good!

Yes, you are on right place. Brother Greg recently added good sermons by one very blessed brother- Oswald Smith, also highly recommended are Leonard Ravenhill, Duncan Campbell, A.W.Tozer. Have a blessed stay here!

You're all very wonderful. I'm deeply grateful for the sermon suggestions. I listened to Mr. Daniels and certainly love the truth of his message and deeply admire his passion.

Hi sister,

Welcome! Popped over to your site earlier and got lost in a wonderful little rabbit trail of links, from the ones you had...

Think you will find much to feed your soul here.  
Another favorite is Zac Poonen, a wonderful preacher from India.

Here's one that comes to mind:

Hi Paula,

Thanks for posting. Yes, there a A LOT of great sermons here. This site has really helped me. Afterall, the Bible says that faith comes by hearing and hearing by the word of God...

I am also a great fan of David Wilkerson--any of his sermons are great. Then of course there is the perennial favorite--Ten Shekels and a Shirt by Paris Reidhead.

Looking forward to seeing you around.
