the greatest's question - posted by brothagary, on: 2012/5/25 9:08

brother and sisters ,,what is the greatest question ,you can sincerely ask your self ,and god ,,,,,,,,brethren if god gave you an answer would it be like this ,,,,

god answered my question tonight

i think the real question is can even christian ministry and fellowship in places like face book and other forums ,,wreak, or disrupt ,or stagnate ,a marriage relationship ,with jesus ,,can we put too much time in good things like this ,and neglect plain bible study meditation,,and secret prayer which results in a spirit empowered life ,a exhilarated growth in grace ,toward high degrees of maturity and denial of this fleshly membranes that rest as a veil over our heart ,,a maturing denial of self gratification to the highest or ever increasing degrees ,,in other words getting our priorities right ,,

does this pursuit of fellowship in this way become a secret idol ,because of our over emphasis of god's blessings of gifts and precious fellowship,,and can it become our darling sin ,,that we will hold on to for years in place of ,in this state ,borderline unimaginable ,fellowship ,in such an intimate way ,that may not have even known by us ,even in our new birth ,,is there a biblical ever increasing mystical union with christ that we push away ,in place of secondary gifts and godly blessings ,,,,%%%%

for me that answer is yes

precious beloved brothers and sisters ,,,can i ask you ,do you think ,,god is calling you ,into an utter denial of all earthly pleasures ,,and god govern liberties ,,and even fellowship an even ministry ,,for season according to the lord's good pleasure,,,

TO SEEK HIM WITH ALL THY HEART

WITH FASTING

till we be endured with a greater power from on high

for me the answer is yes he is

brothers and precious sisters ,,i call upon you in the name of mighty name of jesus in the spirit of faith

to pray for me

and for one to another,,for an ever increasing conviction of our need for ever increasing power ,and a flesh dissolving ,revelation of the presence of eloi ,eloi ,eloi

the thrice holy ,,and for an heart shifting abiding expectation ,,of an ever increasing intimate marriage union,that moves towards a oneness ,that is unknown to us ,,,,,moving towards infinite oneness ,and an unspeakable knowing him ,in the near future ,,while we are in this tabernacle

that we might find our selves on that holy mountain shoulder to shoulder ,with the one who died for us

amen

will you walk with me

outside the gate baring his reproach

will you come to the foot of the cross afresh

and drink his blood
and eat his flesh

will you come with me to die with him and hold my hand

will you walk with me into his tomb ,and stare at the mercy seat ,and hear the angels voice

will you with me cast aside our differences

and be immersed in the reality of the resurrected lord

and stay here for a while ,for a season ,,,,

leaving our darling sins at the cross

will you come afresh with me to the cross of christ

where our joy was born
and our peace dawned
and the mercy of christ was scorned
will you sit with me at his feet for a time and a time

and come and give him thanks

and stare at glory of the lamb

while we look across to one another just for a glance for a second or two ,,,,,,

and then fix our eyes upon the son of the living god

will you come to this place with me soon ,,very soon ,,

when we wake tomorrow ,will you remind me of my lord what he did for us ,,for me an undeserving sinner ,,

will you

will you tell me what he did for us

will you call me to secret prayer tomorrow

and the next day ,and the next

come let us remember the lords death till he comes

come let us have faith and remember

help me for sake myself for his sake

for soon he will come ,with a shout
