Saints,

I am excited to announce I have ran across some old recordings of Paris Reidhead giving 2 series of sermons at Bethany Fellowship. He is the speaker who preached: "Ten Shekels and a Shirt" that you can download from the front page of the website which has over 150,000 downloads.

We will be working on uploading all of these but for now here is one of them:

(So Great Salvation - Part 1) Awakening by Paris Reidhead

Thanks Greg!

Can't wait to watch the videos!

If there is anything that could be done with the audio series on this site it would be putting the sermons in the order that they were preached. The series is long (but worth every second) and I can't tell the order in which to listen to them other than listening to Paris in the sermons.

No complaints, seriously, just a suggestion on how you could make the series easier to follow along. :-) Nothing but thankfulness :-)
