

**Devotional Thoughts :: Andrew Murray Devotional - Pocket Companion Series****Andrew Murray Devotional - Pocket Companion Series - posted by tomf, on: 2012/7/23 20:58**

Does anybody know where to get or have a public domain copy of Andrew Murray's "Pocket Companion" Series which consists of twelve booklets? Amazon carries 4 of the booklets. I would like to get the digital copies to post the complete devotional on my web site.

They are also called the "Secret" series. They were originally published as small cloth booklets with 31 days of devotions

- The Secret of Intercession
- The Secret of Adoration
- The Secret of the Faith Life
- The Secret of Inspiration
- The Secret of the Abiding Presence
- The Secret of United Prayer
- The Secret of Fellowship
- The Secret of the Cross
- The Secret of Brotherly Love
- The Secret of Power from on High
- The Secret of Christ our Life
- The Secret of the Throne of Grace

If anybody could help me find or has these devotional booklets in digital format, I would greatly appreciate it.

Thanks in advance for any help!

Not sure whether this helps. I can't open it but maybe you can.

Notice they have the secret of the cross.

I have the full "secret series" in paperback but not in digital format. They are so rich, I've been reading them as a daily devotional for years now, reading the Secret of Fellowship this month. I would scan them but the binding is of poor quality and they would fall apart when flattened out in the scanner. I already have several of the booklets falling apart.

Unfortunately the full paperback series is out of print but you can find 5 of the 12 booklets at CLC Publications <http://www.clcpublications.com/shop/index.php?cPath=95&osCsid=59b564bdb8bd27b1e1268abc869f4fb5>

Some searching online will probably get you most of the series if you buy from different places.

Daily in His presence is a book that contains the 12 title secret serie to cover the whole year one for each month..

You can purchase the kindle copy from Amazon here.

Thanks UntoBabes, I didn't know that someone had put the booklets together into one volume. Be aware though, I did check out the preview of the book at Amazon and it appears that the original Andrew Murray texts have been edited quite a bit.

Some of the wording has been changed to more modern language and some of the content appears to have been edited out completely, perhaps this was done to shorten each reading to a single page but some richness is lost. I would still recommend the individual booklets if one can find them.

Ron

I found this on Amazon, the Kindle version of "The Secret of the Cross". One review had this to say, "The word "secret" in the title could be "secrets" (plural) because The Secret of the Cross is actually thirty-two independent devotionals united by the theme of the cross (self-sacrifice)".

I don't know if this is exactly what you're looking for but hey, it's only 99 cents. You can't go wrong. It has lots of really positive reviews too.

This one looks even better:

Thanks Ron,

I ordered the book since it was so cheap but no way for me to compare it with the original booklets. There are some sites that allow you to view the book like this one.

Click on the "google preview" button.

Thanks Ron

"Christ is our life." "Christ lives in me."

"Know ye not that Jesus Christ is in you?"

Many Christians forget this . They believe Christ died on the Cross for them, and lives in Heaven for them, but hardly that Christ is in them. The powerlessness of the Church is mainly due to this. We do not realize that the Almighty Christ dwells within us. 'We must know and experience and testify to this great truth if there is to be a real and lasting Revival in the Church of Christ. Then we shall know what it means to give ourselves wholly to Christ, always to abide in fellowship with Him, that His work may be accomplished through us. "Christ liveth in me. To me to live is Christ."

Just started these today- excellent!

Thanks for posting the link Ron. I especially like that it is photocopies of the actual booklets. Gives it a vintage feel.
