February 25, 1993 For over a century and a half, America has not had a foreign troop on its soil. We haven't been invaded, attacked or bombed We have sent our soldiers to fight in many wars, but always in other nations' land. Indeed, we have been spared - we have enjoyed peace and prosperity. Even now, America breathes a sigh of relief because there no longer seems to be a nuclear threat. We believe Communism is dead, that Russia will never again rise as a world power.

As I write this message, Boris Yeltsin is in power in Russia - but I believe he is just a temporary leader. The Communist clique still exists - and soon Yeltsin will be cast aside and a new, aggressive government will arise. The fact remains that 20,000 nuclear warheads are still at the former Soviets' disposal - most of them aimed at America! Recent pacts to reduce these warheads may never be honored.

Right now China is like a giant, waking from its sleep. In just a few years Hong Kong will be turned over to China completely. It will become China's pearl city -- a major money center and the gate-way to wealth for Chinese markets . In time, China may bypass Japan as an economic power. Keep your eyes on China!

But America's problem is not Russia, China or the newly formed European United Nations. No - like Israel in the days of Hosea the prophet America is self-destructing! America is being ruined from within!

Hosea gave many reasons for God's impending judgment on Ephraim. But there are three that relate directly to America:

1. There Was No More Truth, Mercy or Knowledge of God In the Land
2. The More They Prospered, the More They Sinned (Hos 4:7)
3. God Says, "I'm Going to judge You Because of Deep Corruption Caused By Rampant Homosexuality!"The day is not far off when I will not be able to say what I am about to say without being sued or jailed. It is because homosexual power is so strong in America - and it is growing in power daily!

America was once renowned as a defender of truth and justice. Now, we have become defenders of baby killers, pornographers and perversions. Beloved it is at this point that God moves! "Therefore He will remember their iniquity, He will visit their sins" (Hosea 9:9). When God says, "I'm going to visit you!", He means a visitation of sudden judgment!

1. "The Sorrows of a Travailing Woman Shall Come Upon Him"(Hosea 13:13).God warns: "Your judgment is going to come suddenly
2. All That Was Once Fruitful Will Become Barren, Withered and Dead! (Hosea 13:15)

Take Hope - Because There Are Bright Clouds On the Horizon for a Holy Remnant!In the midst of all the withering judgments, God is going to cause a holy remnant to grow and flourish. Listen to God's message to Hosea: "I will heal their backsliding, I will love them freely: for mine anger is turned away from Him. I will be as the dew unto Israel: he shall grow as the lily, and cast forth his roots as Lebanon.

"His branches shall spread, and his beauty shall be as the olive tree... Ephraim shall say, What have I to do any more with idols? I have heard him, and observed him: I am like a green fir tree. From me is thy fruit found" (Hosea 14:4-8).

In my personal Bible Study I have been in the book of Hosea. If I would not know any better, I could easily believe Hosea was writing to Americans.

I found a phrase repeated in Hosea that I do not recall elsewhere: "the Spirit of harlotry". When we look around we see his spirit active everywhere.

Chapter 5:4 is an profound concept: (NASB) (edited)

4Their deeds will not allow them
To return to their God.
For a spirit of harlotry is within them,
And they do not know the LORD.

Based on Hosea's message I have concluded that unless this spirit is evicted from people there can be no revival. And will self-destruct.
