Dear Saints,

If anyone has this small paperback in their library and could part with it please send it to me. There is a wonderful brother who is reprinting some of the best older classic paperbacks that are hard to find: www.kingsleypress.com

He is interested to reprint this volume and the only one we can find is on ebay for \$300! They will reprint this and offer it very well priced for just \$7-9.

I know personally many godly brothers who read and were blessed by this book including Denny Kenaston, etc.

Kingsley Press has done a great job to reprint this in conjunction with Prairie Bible School.
