Nine year old girl gives Birth to daughter - posted by sonofthunder (), on: 2013/2/7 6:03

Yes just when you thought you'd heard it all - - - you haven't and (make room for even more shock) and ear tingling News.

The young girl from Mexico apparently gave birth to healthy six pound daughter - and the mother has come through it without complication:

However authorities and law enforcement agencies are now hunting down the alleged 17 year old father ...who is on the run: hmmm

For the record now the youngest girl to give birth was only five (yes just five years of age) - and the oldest woman to deliver a child was seventy:

However all Bible believing Christians accept that Abraham's wife Sarah beat them all ...giving birth at the ripe old age of ninety:

Yeah Sarah has got em ...all beat !!!
