Someone has said that to be happy, humans need three things:

1. SomeThing to Do
2. SomeOne to love
3. SomeThing to look Forward to

SoooooooooÂ..... is JESUS going to be those three things for you? Or, will we believe satan's lie that the world and this present age can satisfy us, beyond a short-term fantasy "sugar high"?

JESUS ALONE IS

1. SomeThing to Do
2. SomeOne to love
3. SomeThing to look Forward to

HAPPINESS, by Design!!!!

!!!! :)

Simple truth that I very much appreciated. It was shared with me and I thought to share it with others :) JESUS is all and everything we could ever need!

God bless
