Brethren,

A quick note to let you know about a powerful and helpful volume this is available for free for the next two days.

The book, It's Your Call was written by Gary Barkalow and represents his life's study of the subject. Gary has a heaven-sent gift for helping men and women not only discover, but develop the unique calling that God has placed on their lives.

While the book weighs in at just over 200 pages the impact it will have is immeasurable! It is in no way light reading and it is wise to read it slowly and digest its contents. If you've ever wondered what God's overarching purpose in your life is, this book will help you answer that question.
