**Bible: Bulk Quantity - posted by gtenigma (), on: 2005/3/19 17:59**

Hello all.  
I do street evangelism and needed some bibles.  
Does anyone know of any good place I can get a good deal on Bibles.  
I wanted to buy about 100 NLT or NIV bibles hopefully under \$5.  
Any suggestions or recommendations?

Thanks,  
Aaron

of course my brother.  
International Bible society (www.ibs.org)  
puts out a wonderful outreach Bible for 1.99 a piece in the case load, 24 Bibles, and New Testaments for 75 cents a piece and Gospels of John for 30 cents. May God bless your witness of Jesus.

Nelson Bibles, who put out the NKJV are offering 5 for \$5 as part of the million Bible challenge. You can google it by typing million bible challenge.

The \$2 NIV bible at [www.ibs.org](http://www.ibs.org) looks like it is probably the best deal.  
I may get that bible for now.

Thank You very much,

Aaron

This is a really exciting thread. I would really like to buy a case or two of bibles for friends and camp and stuff. But none of those sites ship to Canada from what I can tell. Does anybody know a good place that ships to Canada?

Hi Zumb,

I bought a case of bible from International Bible Society. [www.ibsdirect.com](http://www.ibsdirect.com)  
If you wante it shipped it to Canada, you will have to call their toll free number.  
It is 1-800-524-1588 (This info is on the left side of that website)

Hope this helps

Gedeons will give you the New Testament with Proverbs and Psalms free and the Local chapter of the Full Gospel Buisnessmens Assc. will usually donate free bibles
