Show me your ways, O Lord, teach me your paths, guide me in your truth.

The Lord would speak to Moses face to face, as a man speaks with his friend. Why not you??

Every believer should, through prayer, seek to know God's ways and to grow into such a profound union with him and his purposes that he or she is indeed God's friend. We must have a sincere desire to be led into God's righteous ways and the truth of his word. Who, then, is the man that fears the Lord? He will instruct him in the way chosen for him, the Lord calls us into a personal intimate relationship today. Psalms 25:4-5 12 Exodus 33;11
