brothers and sisters I ask a question to you all, what do you think of this address and as any here seen this message ,, can I get some input and discernment about the message and the delivery of it and do you think it resembles biblical preaching and maybe prophecy (depending on your definition),,and how would you compare it with dian reidys message thanks blessings

Very good word, boldly declared. He was given a platform to speak. Diane Reidy was not given a platform.

You cannot compare both of the messages because you are comparing "apples and oranges". One was a scheduled speech and the other was an unscheduled "cry".

Thanks for posting it, I enjoyed it.

I liked Benjamin Carson's speech, too.

regarding deadns question and comparing john the baptise or a prophet of a similar calibre,,with dianes message is like apples and oranges ,,funny I actual typed in that last thread that it was like comparing apple juice ,with an apple tree ,, but I decide to delect it an wrote some thing else

i want to maby later if you have the time to just have a quick look at the conflicting differences in there main points of th ere message ,and the major thrusts of the message ,,im not wanting to be contentious at ,,i just notice a decent difference ,,maby later if some other brethren watch this address ,,we can discuse what we see

The speech is located on YouTube and easy to find. Just put "Ben Carson" in the youtube search area.

The title is: Dr. Benjamin Carson's Amazing Speech at the National Prayer Breakfast
