Krispy says hi, on: 2013/11/8 9:22

Krispy Ritter whom many of you will remember asked me to send his greetings. Here's what he wrote:

"Do me a favor if you feel led to, please go ahead and let the forum know that you made contact with me, and let them know that although I don't miss the forum and do not visit SI or read the posts I do miss my friends there very much and think of and pray for them all often."
