"Stand Up For Your Love" is the current campaign by WEC International UK.

They chose that title because although Christians often say they love, Christians aren't loving as visibly as they could be. Words are fantastic, but they've gotta be backed by actions as well. Check out the website for the full manifesto:

God has poured out his love into our hearts by the Holy Spirit. Romans 5:5

We need His Spirit flooding our hearts with His love. It is this ever-present experience of God's love that sustains us in our suffering that over flows to others. A friend loves at " All Times " even when you don't agree with what your friend is doing. stand by him, pulling on the strength of the Lord to help them through it, helping them to be able to see their wrong based on the word of God, with gentleness non-judgemental kindness, you don't know why he is there, and doing what he is doing, or brought him to this place. but God does, just be a support. a loving touch.
