Also wanted to mention that saints do not have to pray to be a part of this, you can simply call in to just listen to the preaching of God's word and hear some of the prayers of the saints and agree in your heart.

Dear Saints,

Lord willing, Sermon Index and Persecution Watch will be hosting a FREE underground secret church conference call this is coming Friday night. Call info is at beginning of thread.

Church tradition tells us Jesus was crucified on a Friday. Thus the focus of the call will be the victorious cross of Christ. Particularly over the nations. Thus we are praying for saints to be edified by the cross and take the glorious message of Jesus to the world.

Please be in prayer for this call as it is still a work in progress. What Greg and I are aiming for is a time of exhortation from the word by brothers, worship, prayer for the global harvest and persecuted church, testimonies, etc. Lord willing, all to flow in the Spirit.

Most importantly we need the saints. Please promote the upcoming call through your social media contacts. This call is FREE. No registration fee. All you pay is your long distance.

Lord willing, will post more info as things unfold.

Re: Call Update 04.14.14, on: 2014/4/14 11:30

Dear Saints,

God be Praised the Friday night call is coming together. So thank you for those who are praying for this special event.

We do not want this to be just another con call. But a call conducted like an underground church in China. As such the call will be long. But then, for the persecuted, fellowship is precious and they maximize every moment.

The first part of the call for about 3 hours different Spirit filled brothers such as Frank McCleny and Edgar Reich will be exhorting us from the word. And then the last 3 hours will be a response of prayer, testimony, worship, and maybe a speaker for the global harvest or persecuted church.

Again this is only a rough schedule as we seek the Spirit's direction. But believe God will bless us with a special time this Friday.

All are welcome. Call is open to all. Lord willing there will be opportunity for all to participate. Please promote call through your social media. You may stay on call as long as you wish.

Will post more updates as call comes together. Please continue to keep this Friday night call in your prayers.

Blaine

Saints,

Please consider joining for this time (6 hours) or a part of it. There will be many brothers exhorting for the first 3 hours and then 3 hours of prayer and worship. Some house church groups will be tuning in live. If your church or small gathering wants to be involved just call in and put the phone on speaker or have speakers attached to the phone.

I am just now learning about this and am hoping to join in. By the way, you mention David Platt earlier in this same thread - I got a chance to watch his message he gave on prayer at the T4G conference this year (last week) and was moved in my soul. It is one message this nation's prayer warriors and intercessors need to hear, in my opinion. And, if anyone finds a link to watch it please post:)

Bringing this back up for saints to see. Trusting it will be an edifying time where many brethren are sharing and our Lord will be present when 2-3 gather in His name. Feel free to have your house church or even church group present on the call, or individually at home.

Saints,

Do plan to join the call either for the entire 6 hours or just part of it, please feel free to call in at any point in time.

Re: , on: 2014/4/18 13:47

Please pray about coming on call tonight.

Re: , on: 2014/4/18 14:17

Just curious but are SI phone calls anything like the forums or do people make more of an effort to speak to each other with dignity and respect? Something to consider as you plan out this call, otherwise it could become very "interesting". I am looking forward to the call and pray that the Lord speaks to and through all of us...thank you for doing this brothers!!!

Re: , on: 2014/4/18 14:48

Mark I think the call will be dignified. For one thing we will ask for God to be present in our midst.

Their will be exhortation from the word interspersed with prayer and testimony.

Brother we are having a prayer call. Not a discussion forum. Trust you will be edified if you come on.

Re: , on: 2014/4/18 14:52

Lord willing, the call will reflect more of the spirit of our meetings in Missouri.

It is a prayer meeting so we are to look to the Lord and not to judge others. May we also learn and be humble from other speakers who share, thank you brother Mark for your observation the SermonIndex forums do need alot more love, humility and preferring each other better then ourselves.

Re: , on: 2014/4/18 16:15

Brother Greg, perhaps the Lord will lead us all to examine our hearts tonight, for those who call in. Surely, if it was the Holy Spirit who governed our hearts in a spirit of gentleness in Missouri, why is He not also governing our hearts on these forums? If we cannot be tenderhearted and kind with one another, "covering a multitude of sins" or if we cannot humble ourselves and repent to one another when we are NOT this way, then what hope do we have of EVER experiencing revival?

Re: , on: 2014/4/18 16:30

I for one repent of the harshness of some of my posts in the forum. I ask forgiveness from my brethren.

Also I need to review the SI protocols again.

Brother Mark thank you for your gentle admonishment.

Re: , on: 2014/4/18 16:31

Call will start in about 2.5 hours. Trust many will be edified. Trust Christ will be glorified.

Re: , on: 2014/4/18 17:41

Re: , on: 2014/4/18 17:44

Listening to your heart in Missouri and hearing your honesty again was one of the highlights of the trip...much love you brother Blaine!!!
