Saints,

Greetings in the Lord. We know that nothing is accomplished yet through prayer and the working of the Spirit of God. We do not battle against flesh and blood but against unseen darkness. SermonIndex is a ministry that on the out-ward does not look impressive but our prayer and desire is it is having a great eternal and spiritual impact to further the kingdom of light in this world and do damage to the kingdom of darkness.

Would you take part in this work in uplifting this ministry and website daily in prayer? We are believing that as more saints pray even for a few minutes a day for this website and ministry that God will use it more greatly.

- Pray for God to be greatly glorified through the website
- For protection over the servers and website
- For an anointing that God would use the website to bring great conviction of sin.
- For God to keep the testimony of the website pure and birthed of Him
- For God to provide all the needs for the ministry.
- For the website materials to encourage people to a more deeper intimate walk with the Son of God.
- For revival to begin in the hearts of God's people.
- For those who volunteer and Greg who runs the website full-time.
- And also any other way you feel led to pray.

Thank you brother and any others who are committing to pray.

Just put your request on my list as well.

I think it would also be a good idea if you would put a note on a prominent spot on the front page of the Blog, encouraging visitors to pray each time they visit SI

Blessings

Father,

We thank you for the ministry of Sermon Index, and may you be glorified and exalted through this ministry.

We ask you Lord to raise up intercessors that will pray for this ministry. We ask you Lord that your Holy Spirit would bring this ministry to our remembrance during our private prayer time. We thank you Lord for the leadership that you have put in place, and ask you to give the leaders wisdom as they seek to do your will in this ministry. In Jesus name we pray!!

Bringing this up again saints to encourage you to consider praying for this ministry and that the messages would have great impact in believers lives all around the world.

To encourage, I pray for SI daily. I pasted your specific prayer guide into my daily prayer guide and I do pray through it daily.

We love you. Sermon Index is, in my view, the most valuable spot on the internet. I spend more time here than anywhere online. I spend more time in thought and prayer with God because of this ministry.

I certainly agree with the prayer for this site. This site has been very helpful to me. Been a blessing to be able to pass along many needed messages to others in need because of it.

The Lord woke me up to pray.

Yes Brother we will keep praying.

I also am committing to pray for SI. I don't think we will see on this side of eternity how much fruit this has brought for God's kingdom, and how much damage to the kingdom of darkness.

I am so thankful for SI; I will pray.

Thanking God for this work. Praying as you listed and remembering that God's Word will not return void.
