I have a short bio on Warnock on my website:

A friend of mine (incidentally, in Canada as you are) also has Warnock's sermon files online at <http://www.meatindueseason.org/warnock/warnock-index.html>

I hope that helps!

I just listened to "God's Jealousy For His People." Wow, that was good. Highly recommended. Thanks for the tip Jason

A little update: as Greg knows already, I will be getting somewhere between 50 and 80 tapes (i know it's a big range, but I had to call around) of Warnock and they will all soon be up on this site and on my own (as soon as I can load them up). Warnock is a complete blessing. The times I've been able to talk with him on the phone have even been edifying.
