Hello!

I'm new to the forums at the recommendation of Taximan, so I thought I'd pop in and say hello. I'll probably spend a bit of time browsing around and getting familiar with the site before digging into the conversations, but I wanted to let you know that I'm here!

If you're curious: I'm a thirties-ish single (divorced) mother with a nineteen year old daughter; I'm a writer, and I live in the United States.

Hi Stephanie.

Welcome to sermonindex, I pray that God blesses you through this ministry. May I recommend that you examine the sermons available for download. They make up for a large portion of this website but are often missed. A few messages I recommend would be 'Ten Shekels And A Shirt' and 'The Revival Hymn'. I'm sure others will have some more recommendations for you.

Again, welcome and God Bless.

Lyndon
