Help please. I posted a response in the 'Was Paul Washer Wrong' thread, however it ended up on page one. I ask you to please bear with me as I am not terribly computer literate and just could not navigate where to post at the end of the thread. I appreciate your patience and assistance to edit the post and place where it belongs at the end of the thread. Much thanks and God Bless.

sister Lois,

As long as you press the "reply" button it will automatically put it in the right place. Great to see you contributing to the forums.
