

Revivals And Church History :: What church are we?

What church are we? - posted by StirltUp (), on: 2016/7/22 9:14

Brethren (including my holy sisters :)

We all know that all scripture is profitable for doctrine, reproof, training in righteousness etc...but I also know that at certain times the Lord speaks to His people with a NOW word, and was inspired to ask right now, I believe:

Like what church in Revelation are we?(in general from observation and maybe specifically in your circumstances wherever you are in the world) AND

what is the message of the Lord to us RIGHT NOW that we can hear, repent and obey and then share with our fellow believers everywhere? or

What do you believe the Lord is saying to us right now?

Don't answer these questions lightly or too quickly.

Please sincerely pray and ask the Lord to speak prophetically to your heart so we can have mutual encouragement for one another.

In His Name,

William
