Cry Out America:

From Capitol Hill Prayer Partners:

Cry Out America is an annual day of prayer initiated after the 9/11 terrorist attacks. Our goal is to join every state, every county, every church, and every heart together in earnest prayer for America. On September 11th, believers from across the nation gather at state capitols, county courthouses, churches, and community centers to pray for a spiritual awakening.

Awaken our nation

"Then he returned to the disciples and found them asleep. He said to Peter, "Couldn't you watch with me even one hour?" (Matthew 26:40)

We strongly urge all churches and followers of Jesus in America to unite in seeking the face of God through prayer and fasting, persistently asking our Father to send revival to the Church and spiritual awakening to our nation so that Christ's Great Commission might be fulfilled worldwide in our generation.

This voluntary agreement in prayer seems "good to the Holy Spirit and to us" (Acts 15:28) in light of the promise of Jesus in Matthew 18:19 and the unity for which Jesus prayed in John 17. This prayer accord presupposes a spirit of freedom to adjust its component parts as local Christians see need. Though many are seeking God more often than this prayer accord outlines, calling millions of others around focused times of prayer is an urgent need.

A Message from Kay Horner,

National COA Coordinator, Executive Director

"If you have not yet taken the opportunity to register as a participating ministry with CRY OUT AMERICA, we would love for you to take a few moments and [click here](#), then select your state and county.

We would love for everyone to acknowledge their engagement in prayer with thousands of other ministries throughout the nation. This makes a huge statement about our desire for unified, prevailing prayer."
