The trial of Philip Zodhiates is starting now in Buffalo, NY. See <http://christiannews.net/2016/09/20/jury-selection-begins-for-trial-of-second-man-accused-of-helping-ex-lesbian-flee-country-with-daughter/>

Ken has been taken from his post at the Petersburg VA prison and is in Buffalo, where he will be required to testify. Here 's what he said in the last update, " Three years ago I was found in civil contempt for not testifying, and jailed for 40 days The prosecutor has made it clear that refusal to testify this time could mean substantial time added to my present 27-month sentence." He wants very much to be a witness for truth and the kingdom. We do not know if he will be testifying in t he public court or in a closed session. I just heard that he is on for Thursday, and I don't know what time.

Another brother from here is also being called to testify, and he is under some of the same stresses. His wife is expectin g a baby anytime now, and of course he wants to be able to stay home with her, but it doesn't look like his request is bei ng heard at this point. There are others who are being put on the witness stand again. All of these people need our pray ers very much.

Court address:

Dear God wake us up. For the persecution is here and it is going to increase. Blessed God please give these brothers s trength and wisdom and what to do in this hour of trial. For this will surely be what will come upon the whole church in N . America. Dear God may we learn from the example of these brothers and lay down our own lives at the cross. May we learn to live a crucified Life so that Christ may live in us. In Jesus nane. Amen.
