TMK,
You made me smile.

No,...I'm serious,...

*The most horrible thing in the WHOLE world, IS SELF.

Just after pondering these things early this morning, I posed this question to my boys,..who are men now. One said, "To be lost" (without God) ,..the other agreed.

I,also agreed, that self,could lead to that.

Thinking farther in the day,I thought about Eve,...also Adam and their choosings.

Welcome you thoughts,

elizabeth

I can't disagree at all. I think you nailed it.

Every sin we commit is a choice of self over God.
