Can anyone tell me where to find some Sermons about "The bride, and the Bridegroom?"

I know we, as Christians, are the Bride of Christ, so would love to listen to some Sermons about it.

Thanks

God Bless

Nellie :-)

Here is a link to a wonderful sermon from David Wilkerson that speaks about the intimacy that Christ desires with His Bride.

Mike Bickles teachings on this subject have dramatically changed my life and relationship with God. I think it's pretty much his main life message so he's an excellent teacher about it. I highly recommend his series on the Song of Songs. I don't think his teachings are on this site but they aren't hard to find.
