Some might have heard of Gatlinburg and Pigeon Forge TN, they are under an evacuation order tonight to get out due to arsonists setting fire in the Great Smoky Mtns.

For the last month East TN has had more than 1400 forest fires and the majority set because we are in a drought.

North Carolina, South Carolina and Georgia have all had their share of fires too.

We need rain from heaven, spiritual and natural to pour out on us. Thank you.
