i just wanted to introduce myself to everyone. i'm dennis from columbia, sc. i've been checking out many of the downloadable messages over the past several months....and found them all very helpful. my favorite speakers are jim cymbala, david wilkerson, john macarthur, and ray comfort. the book that i happen to be reading at the moment is "hard to believe" by john macarthur. my favorite verses are psalm 40:1- i cried out to the lord and he inclined unto me and heard my cry ...and matt 6:33 seek 1st the kingdom of god. i am (under god's direction) considering starting a new minstry in my area so pray for me! i am looking forward to chatting with you!

God Bless you brother. I am glad the Lord led you to SermonIndex. There are many audio sermon and text sermons for you to check out and be blessed with. For starters the front page listing of featured sermons are a great place to begin. If you have any questions let me know. Specifically a great sermon to listen to first is:
