dear brother and sisters

please pray for me. i am trusting in our precious Lord daily for finances. i am scared. i am a single retired lady and am actively seeking work but God has not opened ANY doors.

i claim Hebrews 13:5-6 . i do know by His word he will not leave me nor forsake me.

Father we pray that you meet the needs of our dear sister. But you have said my God shall supply all your needs according to his glorious riches in Christ Jesus. Take away her fear. May Carolyn's faith be strengthened through the Holy Spirit to look to you as the source of her all provision.

For my God and King I pray this in the Blessed name of our Lord Jesus Christ. Amen.

Re: work, on: 2017/1/6 23:57

just recently the Lord has brought me a job taking care of a couple of people it isn't much money but God has shown me a little with Him can be a lot.

I just love the Lord with all my human heart.

I'm so grateful even though I have very little. I'm grateful that the Lord upholds me with his right hand and he's teaching me to lean on him and to trust him with what I do have and with what he's given me.
