Brother Brian recently spoke at a church in Barnstall Oklahoma where revival broke out.

I believe God may have something special in store for this call tonight.

"If you are not taking the 1st step you cannot be revived."

What does this mean?

Brother,

I believe edgar is saying that if we are not willing to repent of the sin the Holy Spirit is showing us and be honest with God and men then he will not fully revive us and fill us. We have to obey God in every matter and when we disobey Him in anyway that hinders revival in our life.

Ah okay. Sorry it just struck me as an odd phrasing but that is good! Thank you brother
