Praise God that Fox News is broadcasting Billy Graham's funeral. The gospel of Jesus Christ is being preached. Where is CNN and MSNBC? #BillyGrahamFuneral

Billy Graham Quotes:

"Death for the Christian is the doorway to heaven's glory. Because of Christ's resurrection we can joyously say with Paul, 'Where, O death, is your victory?'" (1 Corinthians 15:55)

1. "Some day you will read or hear that Billy Graham is dead. Don't you believe a word of it. I shall be more alive than I am now. I will just have changed my address. I will have gone into the presence of God."
2. "My home is in Heaven. I'm just traveling through this world."
3. "Do I fear death? No. I look forward to death with great anticipation. I am looking forward to seeing God face to face. And that could happen any day." (Newsweek, July 4, 2005)
4. "When we all reach the end of our earthly journey, we will have just begun."
5. "The Bible says that as long as we are here on Earth, we are strangers in a foreign land. There are enemies to be conquered before we return home. This world is not our home; our citizenship is in heaven."
6. "Heaven doesn't make this life less important; it makes it more important."
7. "Death for the Christian is the doorway to heaven's glory. Because of Christ's resurrection we can joyously say with Paul, 'Where, O death, is your victory?'" (1 Corinthians 15:55)

I really like his epitaph:

Billy Graham
Preacher of the Gospel of the Lord Jesus Christ

I, too, listened/watched Billy Graham's funeral via the web. I was so impressed and blessed. After watching for a few hours I checked on the news and it seemed like rubbish in comparison to what I had been seeing for a couple hours earlier .

There were few points shared that I loved:

1. Billy and Ruth loved each other. Remember what Franklin said how they loved each other? So sweet.
2. Billy told another preacher how to have a successful ministry: preach Jesus, not yourself, or your opinions, focus on Jesus.
3. He loved the Bible....

I was gratified with President Trump and Ryan's remarks that were spoken at the capitol rotunda. You could have thought you were at an evangelistic meeting. Yes, they did me proud - as a Southerner would say.

I saw on the web where no other religious leader in the USA was afforded the respects as shown to Billy Graham in the capitol rotunda as he was. Wonder how this came about? and why? Did Trump and Pence hold Graham in such high regard they would buck tradition? But then, Trump will buck tradition if it stands in the way of his agenda.

Still am curious how this was managed...I do find it admirable.

Hi Sandra,
Lovely post, I especially think what you said about comparing watching the funeral to watching the other rubbish on TV, speaker after speaker had something important to say. Indeed watching and listening his Daughter is like a chip of the old block. Then his daughter Ruth gave a very moving personal account of her troubles and how her dad responded. I don't think any President in the history of the States has given such an evangelic speech like that at the rotunda, I believe strongly this is an important moment like his daughter Anne said, ur staff
