â€œIn God We Trust.â€

This phrase first appeared on our 2 cent coins in 1864 and has been on paper money since 1957.

It was declared to be our national motto, but is this a motto thatâ€™s still on our hearts?

Pastor Carter Conlon asks just that in this special for National Day of Prayer, In God We Trust, which focuses on the truth that God holds all power in His hands. Pastor Carter shares:

â€œItâ€™s never too late to cry out to God. Itâ€™s never too late to ask the Lord to turn back our enemies â€ because God is still for us.â€

In a time where godlessness seems to be increasing as never before, Pastor Carter reminds listeners of the power that can come from just one praying person and encourages us to never give up our trust in our heavenly Savior.

This May 3rd, for National Day of Prayer, may we come back to God as a nation and declare that no matter what comes our way, â€œin Him we trust.â€

"Behold, days are coming," declares the Lord God,  
When I will send a famine on the land,  
Not a famine for bread or a thirst for water,  
But rather for hearing the words of the Lord."

// Amos 8:11
